Water & Waste Water Learning Centre, Yelahanka, Bangalore

Karnataka Urban Water Supply & Drainage Board has developed a learning centre at Yelahanka, Bangalore exclusively for Training Engineers and officers and officials working in Water Supply and Sanitation Sector. This learning centre is named as Water and Waste Water Learning Centre. The campus area is 1 Acre 21 Guntas (66,476 Sqft). In the above land a Learning centre of 22,232 Sqft built up area is constructed. This building comprises of basement with a

dining hall, space for laboratory and recreation facilities. The facilities in the ground floor consists of a reception lounge, water supply structure exhibition, training halls, administration sections and computer laboratory. The first floor consists of one exhibition hall for UGD system, one for water supply equipment exhibition and discussion chambers. The second floor is provided with hostel facilities with well furnished 6 double rooms, 14 beds gents dormitory and 10 bed women dormitory & a common hall with DTH TV. Well stacked library is also provided.

The resource persons are drawn from Engineering colleges, KUWS & D Board, BWSSB, NVTQC, IISc, etc. Apart from this, well informed retired officers of the rank of Engineers in Chief, Chief Engineer as well as few consulting firms are also serve as resource persons.

The method of training adopted includes lectures, interactive classroom session, exercise on case studies as well as group discussion & assignments. The training sessions are also aided by a state of the art, audio-visual presentation system & computer labs.

The training centre intends to give training to the administrators, engineers, skilled labour and also elected representatives on the subject of water supply and sanitation from urban local bodies. The centre is also conducting activities to give exposure to school children in Water Supply and Sanitation Sector. The exhibitions will also cater to the above as well as general public. The training centre will also take new technology and visionary projects under Water Supply and Sanitation Sector.

Reforms undertaken in Board to increase efficiency

- Development and Implementation of Management Information System (MIS) through Wide Area Network and Local area Network by computerizing all the Offices in the State in collaboration with M/s Indian Institute of Science, Bangalore and M/s.Tata Consultants, Bangalore.
- Award of ISO 9001 - 2008 Certification for all the Offices of the Board across the State since 1st July 2002, the first Board to obtain such Certification in India.
- To have best quality in execution of works, third party inspections of schemes have been introduced.
- To have transparency and speedy finalization of tenders, E-Tendering has been implemented in the Board.
- To have efficient disposal of LOCs, a customized software has been developed and implemented for release of funds directly to the firms/contractors which again is not existing in any of the Government Departments or Boards/ Corporations of Karnataka.
- Development and installation of customised software for revenue billing & collection for Hubli-Dharwad Maintenance division.
- The Board established "Water and Waste Water Learning Centre" at Yelahanka, Bangalore to train the Board employees, local body authorities and public.
- Board established Project Management Unit to assist the Board in operational support and administrative operational reforms.
- Board established 24 X 7 Response Center to have transparency in the complaints redressal system. This is very much useful for consumers & Employees of the Board.
